

# Atlanta Golf Tournament

The 20th Annual Atlanta Plastics Charity Golf Tournament was held at the beautiful Chateau Elan golf course in Braselton, GA, USA, on June 14, 2010. A welcome reception was held the night prior to the tournament. Once again this event was a tremendous success due to the participation of all the players and sponsors.

The mission and purpose of this charity is to support individuals in need within the plastics community as well as local charities and the Greg Berry Memorial Scholarship Fund of IAPD. In 2009-2010, the Atlanta Plastics Charity has helped nine individual members of the Atlanta community and donated to the American Heart Association, American Cancer Society and the American Red Cross. The Red Cross donation was specifically designated to help victims of the floods in Atlanta last fall. If you know of anyone in need of assistance, please contact a committee member who can assist you with the application process.

Committee member Adam Mellen of CarterWilson LLC, said, "Every year we strive to make this worthwhile event enjoyable for all of you. Following the tournament, a survey was sent to all par-

Don Williams, Piedmont Plastics, and Randy Kirkpatrick, Artek, Inc.

Christi Widener, AIN Plastics; Alicia Shelton, CartierWilson LLC; Deena Vannicelli Baker, AIN Plastics; and Crystal Roberts, IAPD.

The winning foursome: Jeff Gusaeff, Primex Plastics Corp.; Joe Sandine, SABIC Innovative Plastics; John Vanderslice, Evonik Cyro LLC; and Brent Bresford, Piedmont Plastics.
